

## **Shaping the Future - Focus Group Nomination Form**

Following on from the public meetings conducted in Warramboos and Wudinna in September 2011, Iron Road Limited is now planning to conduct a series of Focus Group meetings commencing early in 2012. The purpose of the Focus Groups is to involve community representatives in exchanging information and knowledge, identifying potential challenges and solutions and how to make the most of the benefits associated with the Central Eyre Iron Project.

Iron Road is seeking nominations from interested parties who:

- have a wide involvement in their community
- live or work in either Warramboos, Kyancutta, Lock, Wudinna or surrounding areas
- have a genuine interest in working collaboratively to bring about the successful integration of the Central Eyre Iron Project with the communities of central Eyre Peninsula.

It is anticipated that each Focus Group will meet at least monthly between January and June 2012, or more frequently if required. The topics to be addressed by the Focus Groups include:

- Transport and Access
- Economic Impacts and Business
- Education and Training
- Social Impacts
- Housing and Accommodation
- Environment

Each Focus Group will have a cross-section of residents, business and service providers, community interest groups, Iron Road staff and representatives from the District Council of Wudinna. If you are interested in participating in one or more of these groups please register your interest by completing the following details.
